The Economy of Cooking with Gas is Apparent.

It is really cheaper than wood and coal—with careful attention actually costing less in dollars and cents—besides saving the labor of carrying in coal or wood and sweeping up the trash and dirt which always goes with the use of wood or coal. NEWS NOTES OF ESCAMBIA CAMP

Boys on P. & A. Comment on Gouling Ball Game—All Long to Return Home.

Special to The Journal.
Escambia Relay Camp, Oct. 31.—We note a few sayings from our friends at Gouling in today's Journal. We are always glad to hear from them although it has been some time since the Escambia boys have said anything. Our correspondent has been sick and that is why we haven't been writing.

The ball game the boys had looks funny. J. M. Fleming must have fished up a whole lot since last we saw him but we know Big Drew belongs on the fat side. Mr. M. L. Boglich must be bloated. He was out at our camp some 10 days ago.

The Gouling people must have a blowing machine. Look out Mark you may blow up and that would be sad. You had better come back to our camp. We don't use any blowing machines. We feed altogether. We note a good many more that were in the ball game but they are strangers to us and we dare not butt in.

Boys, we have had all the fish and oysters we can eat and we have grown tired of them. We wish you people would send us some of those quails and doves that you have been feasting on. However, we think we can get a few now as our game law is out to-morrow.

We have all the cake and fruit that we can eat. Mrs. Duncan usually sends B. Duncan a box of fruit cake and of course Big Benny, like a good boy, slides up with all that happen to be around. And we eat other boxes of fruit and cake too numerous to mention.

Fred took old Lulu out on an 8 hour chase Sunday. She started the trail at 8 a. m., and at 4 p. m., she tired. Will you guess what it was? It wasn't a coon. Fred felt very good over the excitement and says he would like another chase soon.

Mr. Ed. Watson and Mr. H. C. White are with us again. Mr. Everard M. Wilson has left us on account of being sick. We hope Meade will hurry and come back. We need him in our business. Hurry, Meade, and let us see your face again.

I have just thought to mention a serious accident that happened to our Boarding Master P. F. Williams and our popular Express Agent W. A. Lee. While out riding on a three wheel car going at a break-neck rate of speed, one wheel raised, objection and jumped the track. Very fortunately Mr. Lee jumped and escaped injury but the car turned over on top of poor Floyd. We don't believe there are any hopes of death.

Judge F. C. Wilson held his regular session of court last night at the appointed hour. There were ten defendants and all were discharged but two. Those two were found guilty and received such severe punishment we can not call their names but justice was done.

We want to extend our thanks to Mrs. J. L. Hall for a large pail of milk she was kind to send us.

We would like to hear from the Flamaton boys.

We are all hoping for an early frost as we are very anxious to get back to old Pensacola again.

SAD DEATH OF LITTLE GIRL

FOUR-YEAR-OLD DAUGHTER OF MR. AND MRS. J. W. MALOY DIES AT BREWTON.

The many friends of Mr. and Mrs. J. W. Maloy will regret to learn that their little four-year-old daughter, Gladys Estelle, died Monday night and was buried yesterday, the cause of the death being tonsillitis.

Mr. and Mrs. Maloy have been spending the past several weeks at Brewton and that is where the death and burial occurred. The little one had not been sick long and the news of her sad death will be a surprise and a shock to the friends of the family in this city.

It is the best remedy for coughs and colds. W. A. D'Alemberte, druggist and Apothecary.

DAMON LODGE MAKES DONATION

GIVES \$25 TO THE UNITED CHARITIES TO ASSIST IN CARING FOR THE POOR.

The United Charities is in receipt of a donation of \$25.00 from Damon Lodge, No. 13, Knights of Pythias, which reached the officers yesterday and was thankfully received. The society desires to return thanks to the lodge for this contribution.

The amount will assist materially in caring for the poor of the city, and is especially welcome just at this time, when so many persons are sick with yellow fever who are not able to even procure the necessities of life and the luxuries demanded by sick people, no mentioning medicines and medical attention.

At present the society is badly in need of funds to carry on the noble work which has been in progress for the past two months. Were it not for the assistance rendered the poor during this period many families have suffered for lack of attention.

Dr. Finn's Testimony Interesting.
Dr. Thomas Finn, of Boonsboro, Mo., who has practiced medicine for 22 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. W. A. D'Alemberte, Druggist and Apothecary.
